FEATURING DESKTOP SIT-STAND WORKSTATION

White Volante Desktop Sit-Stand Workstation

No Tariff Surcharge

Comes completely assembled and requires no tools to install making it an easy retrofit for an existing office space. The primary work surface is large enough to fit 2 x 24" monitors, an Apple iMac, a monitor arm or a laptop. A large primary work surface can be extended 20" above the desk to accommodate a wide range of users.

Model #: 5230Y01

Order in skid quantities of 10 units, save \$10 per unit

**While quantities last.*

Features & Benefits

- The VOLANTE has a compact footprint and easily fits onto a 24" deep desk
- Gas assisted height adjustment provides for smooth, quiet and infinite height positioning through the 13.8" range allowing the end user to find that perfect height setting to fit their ergonomic needs
- A grommet mount opening on the primary work surface allows for improved cable management or mounting a monitor arm
- 20 degree (-10/+10) of keyboard ergonomic tilt allows users to select their best ergonomic typing position
- The VOLANTE is strong enough to support 35lbs.
- Weighting only 40lbs, the VOLANTE is light enough for a simple installation and for moving from desk-to-desk
- Tested to 15,000 cycles, the VOLANTE is designed to provide worry free reliability with a two-year warranty
