Roll-Ezy Aluminum Track for Small to Medium Sliding Glass Doors

Applications
Provides smooth track system for sliding glass doors to move back and forth with ease. Ideal for small to medium glass door installations, such as reception windows and retail display cases, using 1/4” thick glass.

Mounting
Recessed or Surface

Material
Anodized, corrosion free aluminum

Finishes
Aluminum (AL): Long-lasting, corrosion resistant finish

Features
- Installs quickly and easily with nails or glue
- Allows door to slide easily and quietly
- Can be mounted on surface or recessed
- Wide divider on upper channel maintains door position
- Components can be easily cut to fit any opening up to 12 feet
- Available in prepackaged assemblies (P1092) for 36”, 48”, 60”, and 72” openings
- Made in the USA
- Available from open stock

Knape & Vogt does not recommend butt-joints and/or openings longer than 12 feet. Knape & Vogt recommends that the height to width ratio for glass doors should not exceed 2:1.

T = Total Width of Opening (inches)
D2 = Door Width (inches)
#1093 Double Channel Length = T
#1095 Shoe Length (1 per door) = D2
#1099 Double Track Length = T

Cut glass 1-1/2" shorter than height
Cut glass 1-3/16" shorter than height
1. Product Name
Roll-Ezy Aluminum Track for Sliding Glass Doors. Provides a smooth track system for sliding glass doors to move back and forth with ease.

2. Manufacturer
Knape & Vogt® Manufacturing Company
2700 Oak Industrial Dr. NE, Grand Rapids, MI USA 49505-6026
616.459.3311  |  www.kv.com

3. Product Description
Basic Use: Roll-Ezy Aluminum Track for Sliding Glass Doors provide a smooth track system for sliding glass doors to move back and forth with ease. A variety of accessories are available to support glass door while gliding smoothly across metal track.

Composition and Materials: Aluminum
Sizes:
- 1096: 1-1/3" wide x 9/16" high x selected length
- 1095: 27/64" wide x 1" high x selected length
- 1096: 31/64" wide x 15/32" high x selected length
- 1099: 1-1/16" wide x 1/4" high x selected length

Lengths: 36", 48", 60", 72", 144" (some lengths not available in all tracks or guides)

Finishes: Aluminum (AL).

4. Technical Data
Applicable Standards: Roll-Ezy Aluminum Track for Sliding Glass Doors are tested to meet or exceed ANSI performance standards as established by BHMA in the Knape & Vogt (KV) recommended application.

Results were obtained by laboratory testing in accordance with ANSI/BHMA A156.9-2003 performance standard. Actual use conditions will typically result in lower load capacity than laboratory conditions.

Representative testing in a fully configured application is the only way to assure proper performance, durability, and safety.

Environmental Considerations:
Environment: Excessive humidity, salts, or other chemical agents can corrode the finish and attack metal or plastic components.

Fastening: Inadequate or incorrect fasteners can result in the system pulling loose and causing damage.

Alignment: Improper closet rod alignment can result in a system that is ineffective and unsafe.

5. Installation
1. Lay guide and track in recessed grooves or on surface.
2. Attach with small nails or glue.

3. Height of door should be 7/16" (1.10cm) shorter than distance between top of guide and bottom of track.
4. Place top of door in guide and swing bottom of door into track.

6. Availability and Cost
Availability: Knape & Vogt (KV) products are available from stocking distributors and through KV Representatives worldwide.

Cost: Current pricing is available from area KV Representatives. Please call for the nearest representative at: 800.253.1561.

7. Warranty
Limited Lifetime Warranty: Knape & Vogt offers its standard Limited Lifetime Warranty to the initial purchaser of commercial products. This warranty covers defects in materials and workmanship which occur during normal use, and the remedy is limited to repair or replacement of defective products, at KV’s option. Certain types of defects and damage are excluded from warranty coverage, costs and expenses are not covered, and additional restrictions apply. A copy of the Limited Lifetime Warranty, with all warranty details, limitations and disclaimers, is available on the Customer Care Connection location at www.kv.com or from KV Customer Service, 2700 Oak Industrial Drive, Grand Rapids, MI 49505, 800.253.1561.

8. Maintenance
Roll-Ezy Aluminum Track for Sliding Glass Doors require no maintenance. Inspect for proper fit periodically and adjust when necessary. Replace as required or recommended by application.

9. Technical Services
Knape & Vogt and area representatives can assist with any application. For further information, or for the name of the representative nearest you, please call Knape & Vogt Customer Service: 800.253.1561 or visit our website at: www.kv.com.

10. Filing Systems
Additional product information, data sheets, application sheets, and a full catalog are available upon request from Knape & Vogt.
