4. Technical Data
Applicable Standards: KV Drawer and Door Locks are tested to meet or exceed the ANSI performance standards as established by BHMA in the Knape & Vogt (KV) recommended application.

Results were obtained by laboratory testing in accordance with ANSI/ BHMA A156.9-2003 performance standard. (Load ratings based on brackets being mounted on 16" centers.

Representative testing in a fully configured application is the only way to assure proper performance, durability, and safety. Contact KV for verification testing service of your specific lock application.

5. Installation
Place product in desired position. Mark position of product and location of any necessary screw and/or drill holes. If necessary, drill appropriate screw and/or drill holes. Fasten product to drawer/door with recommended screws or hardware according to specific lock instructions.

6. Availability and Cost
Availability: Knape & Vogt (KV) products are available from stocking distributors and through KV Representatives worldwide.
Cost: Current pricing is available from area KV Representatives. Please call for the nearest representative at: 800.253.1561.

7. Warranty
Limited Lifetime Warranty: Knape & Vogt offers its standard Limited Lifetime Warranty to the initial purchaser of commercial products. This warranty covers defects in materials and workmanship which occur during normal use, and the remedy is limited to repair or replacement of defective products, at KV's option. Certain types of defects and damage are excluded from warranty coverage, costs and expenses are not covered, and additional restrictions apply. A copy of the Limited Lifetime Warranty, with all warranty details, limitations and disclaimers, is available on the Customer Care Connection location at www.kv.com or from KV Customer Service, 2700 Oak Industrial Drive, Grand Rapids, MI 49505, 800.253.1561.

8. Maintenance
KV Drawer and Door Locks require no maintenance. Inspect for proper fit periodically and adjust when necessary. Replace as required or recommended by application.

9. Technical Services
Knape & Vogt and area representatives can assist with any application. For further information, or for the name of the representative nearest you, please call Knape & Vogt Customer Service: 800.253.1561 or visit our website at: www.kv.com.

10. Filing Systems
Additional product information, data sheets, application sheets, and a full catalog are available upon request from Knape & Vogt.

Environmental Considerations:
- Environment: Excessive humidity, salts, or other chemical agents can corrode the finish and attack metal or plastic components.
- Fastening: Inadequate or incorrect fasteners can result in the products pulling loose and causing damage.
- Alignment: Improper product alignment can result in a system that is ineffective and unsafe.

Knape & Vogt reserves the right to change product specifications at any time without notice and without incurring responsibility for existing units.
