STORAGE SOLUTIONS

TireLoft™ Wall Mounted Multi-Tire Storage

The TireLoft™ is a great solution for storing all types of tires; auto, truck or seasonal. Also ideal for recreational tires such as motorcycle, ATV tires and racing tires and wheels. The installation is quick and simple: The two steel end frames attach directly to the wall studs on finished or unfinished walls. The Tire Loft is made entirely of strong, powder coated steel and will accommodate up to four large tires. Can be mounted at adjustable widths of 36" to 48" and features a red finish with chrome support tubes. Weight load capacity up to 375 lbs.

Product Information & Details

- Telescoping chrome tubes expand to allow for mounting widths from 36" to 48"
- Quick and simple installation to wall studs
- Can easily accommodate 4 or more standard size seasonal tires, RV tires, ATV tires and more
- Strong, durable steel construction
