**TRAK•
MOUNT™**

New Trak-Mount™ products offer improved designs and enhancements while remaining economical to all levels of purchasers. They feature improved style and functionality.

The shoe shelf bracket now uses less material and is easier to merchandise with a compact display carton. Complimenting the Trak-Mount™ 0123 bracket is a new closet pole hook with removable insert. The hook accommodates closet poles 1" to 1-5/16" in diameter. The new steel closet pole offers a lower price point than other Trak-Mount™ closet poles. Featuring a 1" diameter, it will snap into the new closet pole hook.
