# Momentum Arm
Standard Length

The Momentum arm is perfect for users who need a solid support and fast position-changing capability, or in workstations that accommodate multiple users.

8438 & 8638 series

Features	Benefits
Low profile design	Provides maximum leg room
Patented spring-assisted Lift-n-Lock™ counter balancing system (no knobs or levers)	Easy to make precise height adjustments for maximum comfort
Soft-touch knob for tilt adjustment	Easy to make precise tilt adjustments for maximum comfort
5-1/2" standard length neck	Accommodates straight desktops with limited space
Dual swivel option	Allows keyboard tray to be parallel to the desk even when corner-mounted
360° swivel	User can move keyboard freely from side to side
Available with either glide or low-profile ball bearing storage tracks	Fully retractable when not in use; choose the one that fits your budget
Positive tilt lockout option	Promotes healthier negative tilt of keyboard; reduces risk of repetitive strain injury
