

CX Laptop Support

KNAPE & VOGT®

INTELLIGENTLY DESIGNED

- Single handed counter balance adjustments are effortless, optimizing workflow efficiencies while sitting or standing
- Tray flips up and arms fully retract when not in use for minimal storage
- OSHPD approved, ensuring installations meet local building codes and infrastructure requirements

INSTALLS IN MINUTES

- Easy, effortless one step installation of product
- Quick connect locking bars allows for seamless and secure integration of laptops and notebooks
- Optional 32" and 48" track allows for direct-to-drywall applications optimizing locations with limited real estate

BUILT FOR LIFE

- Designed for long term durability, maximizing return on investment
- Maintains high infection control standards with durable anti-microbial agents incorporated into all contact surfaces
- Manufactured of steel, aluminum and high density polyethylene materials supporting high performance, long-term usage

OPA Number - 2479.10

CX Laptop Support

CX series
