

Mobile Laptop Cart

KNAPE & VOGT®

INTELLIGENTLY DESIGNED

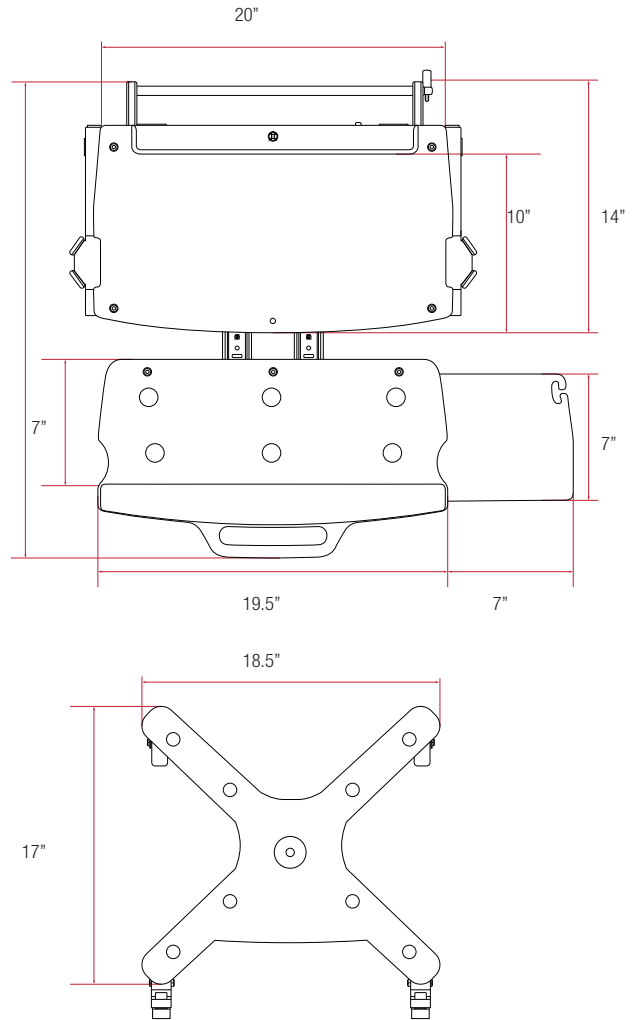

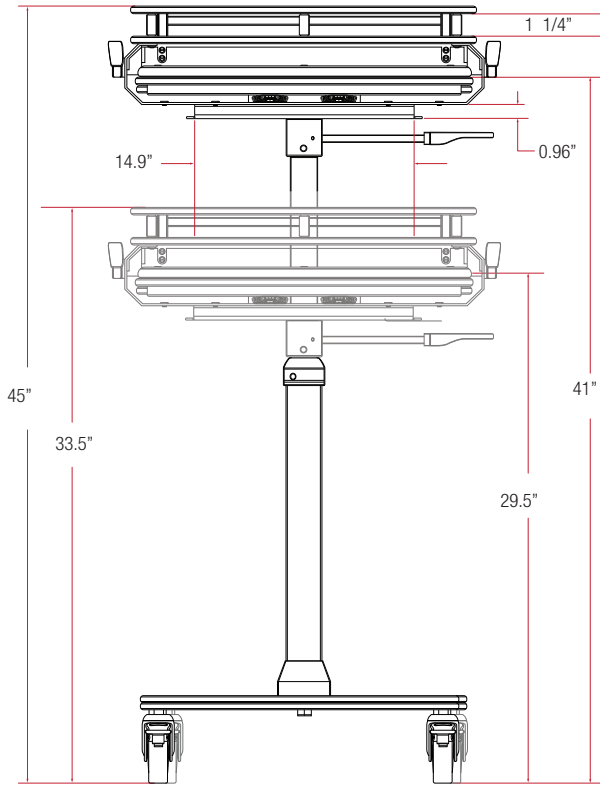

- Light-weight with a small footprint ensures ease of mobility, low tip factors as well as compact for maneuvering into small spaces
- Front wheels with pedal locks to allow cart to remain stable and in desired position
- Lithium battery compartment incorporated allowing additional power supply adding to optimal run time for point of care technical applications

INSTALLS IN MINUTES

- Ships pre-assembled resulting in minimal after sale installation costs and reduced downtime for critical care areas
- Actuator handle allows for effortless adjustments optimizing workflow effectiveness for sitting or standing applications

BUILT FOR LIFE

- Maintains high infection control standards with durable anti-microbial agents incorporated into most contact surfaces
- Manufactured of steel aluminium and high-density polyethylene materials supporting high performance, long term usage
