

5500D17

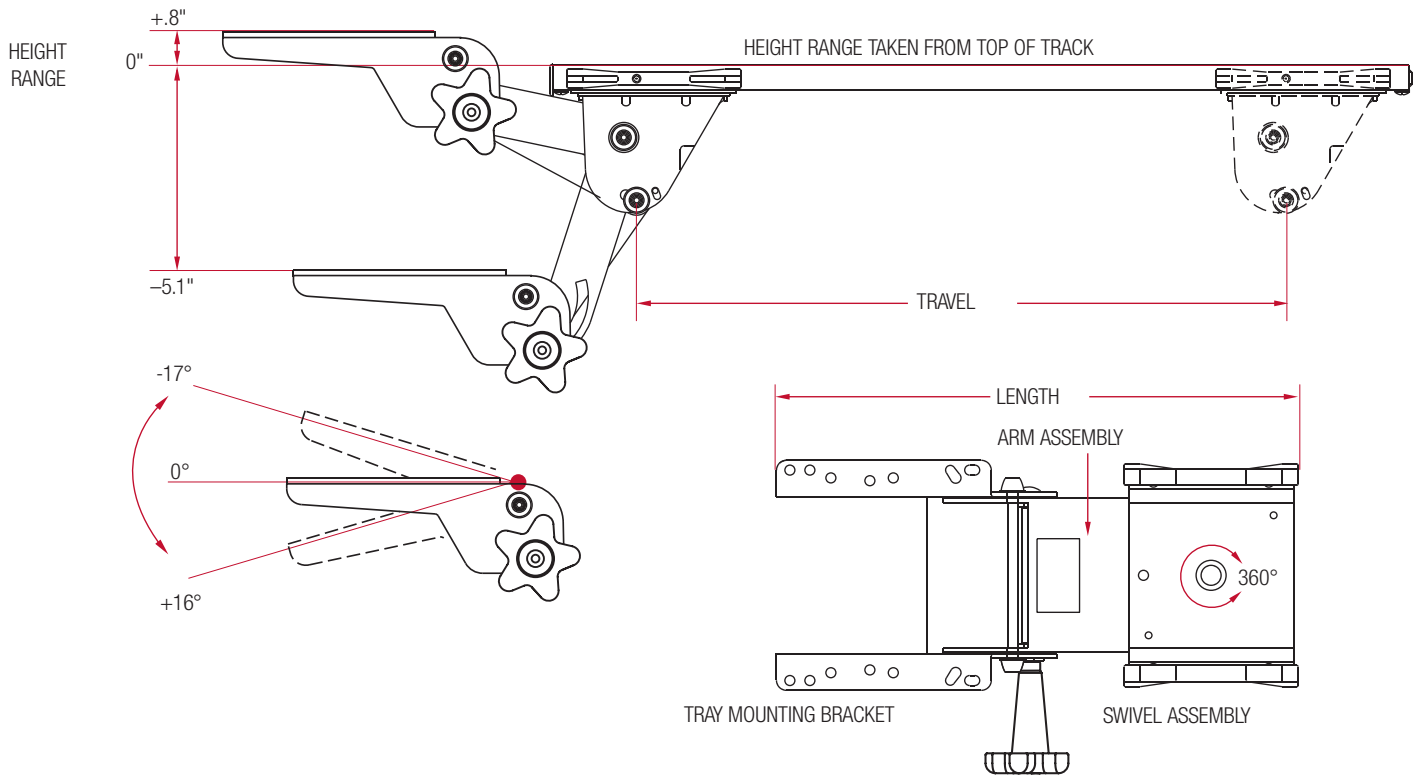

Encore Arm

Standard Length

This entry level arm provides most of the features available on our main family of arms but at an economy price point.

5500 series

| Features | Benefits |
|-------------------------------------|---|
| Low profile design | Provides maximum leg room |
| Economy ergonomic keyboard solution | Cost effective price point |
| Star wheel adjustment knob | Simultaneous height and tilt adjustment |
| 360° swivel | User can move freely from side to side |
| Meets ANSI/BIFMA standards | Quality assured manufacturing |
| Stores on plastic glide track | Frees up space in front of desk |

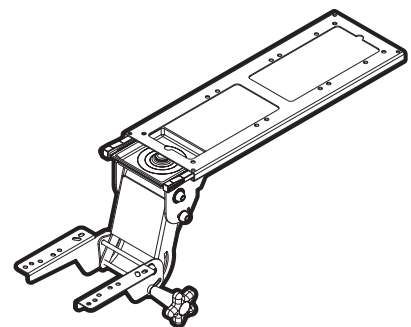

Encore Arm 5500 series

Ancillary Products:

- Encore Arm is an ideal complement to most Knape & Vogt Waterloo keyboard trays
- Use with Knape & Vogt Waterloo CPU holders
- For flat panel displays, specify the Concerto flat panel support system
