Smart Slide

Single and Full Extension Options

Smart Slide Drawer Systems meet expectations for advanced design creation with full and single extension options, which are developed with the purpose of meeting various design needs.

How many different ways could there be to open a Smart Slide Single Drawer ?

Soft Close Version

Thanks to SAMET innovation center, Smart Slide Single integrated adaptive soft close system has been developed with cutting-edge technology to ensure gentle and quiet closing.

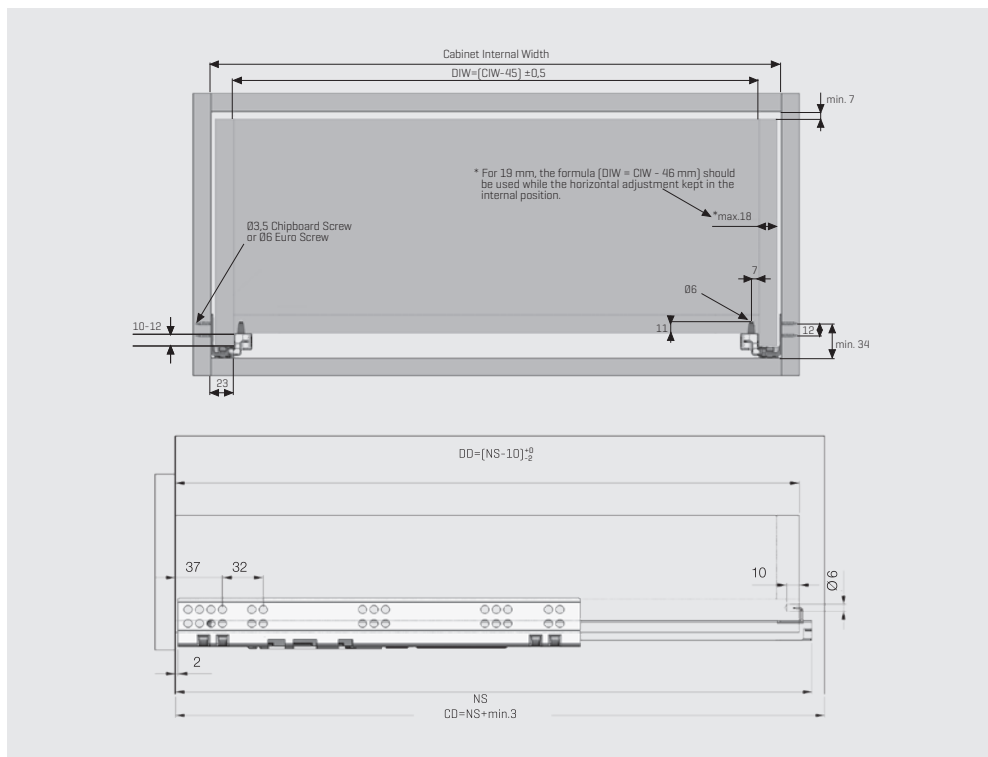

Lock-Fix Mechanism Options

Lock-Fix mechanism was especially designed for the quick and flexible installation process of Smart Slide Drawer Systems.

With wide drawer size alternatives within a range of 250 mm to 600 mm, different requirements can be met, which ensures different solutions during furniture production. The possibility to lock as tight as desired ensures safety during drawer utilization.
