SOFT-CLOSE SOLUTIONS

Soft-closing drawers and doors are in high demand in custom built homes, as well as for upgrades in the kitchen and bathrooms. KV offers that same smooth-gliding operation in waste bins, wood and wire drawers and cleaning baskets.

GARAGE STORAGE

Knap & Vogt helps maximize available garage wall space with strong, sturdy storage that is engineered to be safe, secure and easy to install. It's the best way to get organized and get stuff off the floor, while turning unused space into useful storage.
